July - November 2008 Progress Report

Accomplishments:

1. In July 2008, we successfully launched the following sites, pages, and blogs: www.investdest.com (and blogs), www.metalicycles.com (and blogs), www.forex-market-pro.com, coinvesting.argmaur.com (and blogs), panama.investdest.com (www.argmaur.com was launched in March 2008)

2. We've consistently been listed in the top 20 Google search engine and directory rankings. **Metalicycles has been ranked #1 using 20 unique key phrases** (4 words or less in each key phrase); **and in the top 10 for over 50 unique key phrases--a complete marketing success!**

Key phrases are pertinent to site's content but incorporate diverse combination of words related to the broad "trading and investing" online community. Key phrases DO NOT include the words: argmaur, metalicycles, investdest, or dest.

The following list includes sites and their respective rankings by keywords and key phrases (rank # as of November 18, 2008):
